OLIWIA ROSIEK

Frontend developer | UX&UI designer trainee candidate

About me

Eager learner transitioning from architecture to IT with a passion for Frontend Development and UX/UI Design. Inspired by the intersection of creativity and technology, I aim to leverage my artistic skills to craft immersive digital experiences. With a love for flowers and a naturally positive and open-minded disposition, I thrive in collaborative environments, bringing out the best in teamwork. Excited to contribute my unique perspective to the dynamic world of IT.

Achievements and projects

- Created a personal portfolio website using a Bootstrap template.
- Udemy courses:
 - **Pre-Programming: Everything you need to know before you code**
 - **The Git & Github Bootcamp**
 - **REST API Design, Development & Management**
 - **Complete Web & Mobile Designer in 2023: UI/UX, Figma**
 - **Complete Angular Developer in 2023: Zero to Mastery** - Ongoing
- Diverse landscape architecture projects including conceptual designs for green rooftops, living walls, urban revitalization, loft-style apartments, and urban infrastructure.

Experience

07.2021 - 09.2021 | Landscape architecture student internships

- **Designing Projects:** I contributed extensively to the design process, working closely with professionals to conceptualize and develop impactful projects
- **Client Interaction:** I fostered meaningful client relationships by directly communicating with them to understand their project needs and aspirations. This experience enhanced my interpersonal skills and provided insights into the crucial link between client collaboration and successful project

I agree to the processing of personal data provided in this document for realizing the recruitment process pursuant to the Personal Data Protection Act of 10 May 2018 (Journal of Laws 2018, item 1000) and in agreement with Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation).
